

Written Assignment: Rap Analysis

Write an essay (800-900 words) in which you analyse and interpret your favourite rap lyrics.

Your essay should include the following:

1. An introduction with a short presentation of the rapper and a clear focus based on the most important theme(s) in the text.
2. A summary and a comment on the structure of the text.
3. Analysis and interpretation of the text with at least two quotes. Focus on the theme(s), language, characterisation of the rapper in the text and the characteristics of hip hop.
4. Conclusion. Sum up your interpretation of the text.

Remember to include a full transcription of the text at the end of your essay and make sure the transcription is correct.
